

Periodically the Board will review its school assignment plan and make adjustment when needed.

6201.1 Principals will assign students to the appropriate school at the end of each school year.

6201.2 Parents may request a different school assignment, provided the request is made by April 15.

6201.3 Every effort will be made to place students in the school of the parent's choice, subject to availability of space and other educational considerations.
